Move

Optical USB mouse

A modern, yet subtle design - this is how the new mouse from DICOTA, "Move", presents itself. This mouse scores well in any kind of business surrounding. The optical LED sensor features a resolution of 800 dpi and the three buttons including the scroll function make for easy handling. The specialty: the scroll wheel is illuminated in blue.
A cumbersome installation is not necessary thanks to Plug & Play and Move is ready for use in an instant. The technical details and the appealing design make Move the perfect companion for traveling.

Modern design, optical sensor 800 dpi, 3 buttons incl. a glowing scroll wheel, Plug & Play.
